New Blue Monster® Nickel and Copper Guard® Anti-Seize Tapes Provide Easy Assembly and Disassembly of Threaded Components

Mentor, OH – Contractors will appreciate the sealing and anti-seize qualities of new Blue Monster® Copper Guard® and Nickel Guard® anti-seize thread sealing tapes, the only tapes in the industry containing 10% copper or nickel flake. Developed to seal and lubricate threads under harsh environments, these new tapes are designed for high pressure and high-temperature applications and can replace messy, potentially contaminating anti-seize compounds.

[Blue Monster® Copper Guard®](#) anti-seize tape is specially formulated to seal metal pipe threads and provide anti-seize assistance at temperatures up to 1,984⁰F. This anti-

seize PTFE thread sealing tape contains 10% copper flake that acts as a slide or bearing plates between two mating surfaces. Blue Monster® Copper Guard® tape is compatible for use on galvanized steel, steel, iron, brass, copper, aluminum, titanium and magnesium surfaces.

[Blue Monster® Nickel Guard®](#) anti-seize tape is specially formulated to seal stainless steel pipe and threads, and provide anti-seize assistance at temperatures up to 2,651°F. This anti-seize PTFE thread sealing tape contains 10% nickel flake to ensure lubricity and effective sealing. Blue Monster® Nickel Guard® anti-seize tape is also compatible for sealing and lubricating galvanized steel, iron, brass, copper, aluminum, fiberglass, polyethylene, polypropylene, PVC, CPVC and ABS.

Blue Monster® Copper Guard® and Nickel Guard® thread sealing tapes compliment a complete range of PTFE thread sealing compounds offered by The Mill-Rose Company, including nickel and copper anti-seize compounds. The anti-seize thread sealing tapes are offered in ½” and ¾” rolls 600” in length and conveniently store in toolboxes and tool cribs.

Blue Monster® Copper Guard® and Nickel Guard® anti-seize thread sealing tapes are available at leading wholesalers from [Clean-Fit Products](#), a division of The Mill-Rose Company, the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the U.S.A. For further information contact Clean-Fit Products, 7310 Corporate Blvd., Mentor, Ohio 44060. Telephone 1-800-321-3598, fax 1-440-255-1072, e-mail info@cleanfit.com or visit the company's web site at www.cleanfit.com.
