Mill-Rose Introduces Monster Wipes Industrial Towels for Messy Cleanups

Mentor, OH – [MONSTER WIPES Industrial Towels](#), a tough, synthetic-based disposable wiper offering superior wet strength and versatility, are now available from Clean-Fit Products, a division of The Mill-Rose Company.

With 550% absorbent capacity, MONSTER WIPES are great for cleaning up water, solvent and oil-based spills. MONSTER WIPES' latex-free fabric is soft, virtually lint free, for delicate wiping applications, while providing superior strength for cleaning grease and grime off tools, parts and a range of hard surfaces. Tough and versatile, MONSTER WIPES allow for repeated use, yet are disposable whenever a clean towel is needed.

Blue Monster[®] MONSTER WIPES are available in a self-feeding container that includes 220 9" x 12" industrial towels and sold at leading PHC supply houses. Blue Monster products are offered exclusively by Clean-Fit Products, a division of The Mill-Rose Company. Mill-Rose is the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the U.S.A.
