**FOR IMMEDIATE RELEASE**      **OCTOBER 3, 2022**

## **Blue Monster® Whizz Banger™ Unclogs Urinals**

**- Restores Water Flow and Efficiency to 100%**

Mentor, OH – [Blue Monster® Whizz Banger™](#) urinal cleaner and descaler is now available from Clean-Fit Products, a division of The Mill-Rose Company. Whizz Banger™ quickly unclogs urinals restoring water flow and efficiency to 100%.

Uric acid deposits are the most common cause of urinal drain blockage. Blue Monster® Whizz Banger dissolves uric acids, eliminates uric odors, cleans and disinfects urinals and toilet bowls in one step. Pour Whizz Banger into the urinal or toilet bowl and its aggressive cleaning formula dissolves water scale, rust and removes iron deposits, but will not etch urinal and toilet surfaces. It's fast acting and compatible with copper, steel, PVC and ABS drain pipes.

“While Whizz Banger quickly unclogs urinals, it's also a great preventative maintenance tool. Use it periodically to maintain optimum flushing performance,” said John Kirkland, National Sales Manager for Clean-Fit Products.

Blue Monster® Whizz Banger™ is available in a 32-ounce, easy-pour bottle and sold at leading PHC supply houses. Blue Monster Products are offered exclusively by Clean-Fit Products, a division of The Mill-Rose Company. Mill-Rose is the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the U.S.A.
