Professional Strength Blue Monster® SLASH Cleans and Degreases in a convenient spray format

Mentor, OH – [Blue Monster SLASH](#), a heavy-duty cleaner and degreaser that works on a wide range of surfaces, is now available from Clean-Fit Products, a division of The Mill-Rose Company.

Blue Monster SLASH's citrus-based formula loosens and dissolves dirt and grease with minimum effort. Applications include cleaning and degreasing black iron pipe, appliances, countertops, hydraulics, automotive parts and industrial jobs. Simply spray smooth and irregular surfaces with SLASH and wipe clean.

“Save the elbow grease for other jobs. SLASH delivers the power of Blue Monster

Citrus Scrubbing towels in a convenient spray format,” said John Kirkland, National Sales Manager for Clean-Fit Products. SLASH utilizes the same cleaning formula used in Blue Monster Citrus scrubbing towels. The spray action allows for cleaning/degreasing in hard-to-reach areas.

SLASH is a safe, effective cleaning solution free of harsh solvents and chemicals. It is environmentally friendly (VOC compliant), water soluble, and meets Southern California air quality management district regulations on volatile organic compounds (VOC) - privacy.ca.gov.

SLASH complements other Blue Monster cleaning products including Blue Monster citrus towels and Blue Monster Wipes industrial dry towels. Blue Monster® SLASH is available in a 26-ounce spray bottle and sold at leading PHC supply houses. Blue Monster Products are offered exclusively by Clean-Fit Products, a division of The Mill-Rose Company. Mill-Rose is the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the U.S.A.
