**FOR IMMEDIATE RELEASE - September 13, 2013**

## **Blue Monster® Drain Banger Devours Hair, Grease, Soap, Oils and Organic Matter in Less Than 60 Seconds**

Mentor, OH – Contractors will appreciate the effectiveness of new Blue Monster® Drain Banger, a professional-strength drain opener now available from Clean-Fit Products, a division of The Mill-Rose Company,

Blue Monster Drain Banger devours hair, grease, soap and oils that slow and plug drain lines in less than 60 seconds. This professional-strength drain opener is powerful

and fast acting. Drain Banger's unique formula is embedded in blue flakes that work more effectively than liquid drain openers or beads that can solidify forming rock-like masses further clogging drains.

Blue Monster Drain Banger is a hot-water activated drain cleaner designed for use by professional contractors only. It is odorless and will not harm plumbing fixtures, porcelain or septic systems. Drain Banger can also be used for preventative maintenance eliminating hair, grease, soap and oil build-up that can create future problems.

Blue Monster<sup>®</sup> Drain Banger is available in one and two-pound, easy-pour containers at leading plumbing wholesalers. Blue Monster products are available exclusively from Clean-Fit Products, a division of The Mill-Rose Company, the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the United States. For further information contact Clean-Fit Products, 7310 Corporate Blvd., Mentor, Ohio 44060.
