Mill-Rose Introduces Blue Monster™ PTFE Thread Sealing Tape

Mentor, OH – Contractors will appreciate the monstrous size and ruggedness of new Blue Monster™ PTFE thread sealing tape, now available from Clean-Fit Products, a division of The Mill-Rose Company. Offered in a 1/2" roll with 1,429" of tape, as much as five times more tape than conventional thread sealants, Blue Monster seals like pipe joint compound without the mess.

Blue Monster is designed to create dependable, leak-proof joints in general-purpose applications where a thicker, professional-grade density thread sealant is needed. Typical applications include iron, brass, copper, aluminum, stainless steel, galvanized steel, polyethylene, polypropylene, PVC, CPVC, ABS, fiberglass and more. Blue Monster seals threads effectively under a broad range of temperatures and pressures and will not harden or crack.

The Mill-Rose Company is the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the U.S.A. For further information contact Clean-Fit Products, 7310 Corporate Blvd., Mentor, Ohio 44060. Telephone 1-800-321-3598,

fax 1-440-255-1072, e-mail info@cleanfit.com or visit the company's web site at www.CleanFit.com.
