**FOR IMMEDIATE RELEASE – February 6, 2012**

## **Brush Manufacturers from Around the World Attend Mill-Rose 49<sup>th</sup> Annual Luncheon**

Cleveland, OH - Brush manufacturers and suppliers from around the world gathered for the 49<sup>th</sup> annual Mill-Rose Brush Makers luncheon last week, held at Pickwick & Frolick in downtown Cleveland.

Over 75 representatives from the United States and countries as far away as England, Germany, Mexico and Canada attended the event, hosted by Mentor-based The Mill-Rose Company. Manufacturers and suppliers gathered during the week before the luncheon to discuss business trends, opportunities and other topics related to the industry.

Brushes manufactured by these companies are used in virtually every type of industry around the world. Applications include makeup/mascara brushes, hair brushes, floor sweeping and polishing brushes, gun cleaning brushes, car wash brushes, copier toner brushes, brooms, paint brushes and special brushes used in the medical field.

Local and regional companies attending the event included Malish Brush, Precision Brush, Osborn Brush, Sherwin Williams, Cleveland Wood Products, Spiral Brush, Brushes Corp., Wooster Brush, Phillips Brush and The Mill-Rose Company.

### **About The Mill-Rose Company**

The Mill-Rose Company is the largest U.S. manufacturer of twisted-in-wire brushes used in virtually every type of industry throughout the world. Mill-Rose is a family-owned organization, now in its third generation. Mill-Rose experienced significant growth from its humble beginnings in 1919, and today operates manufacturing and warehouse facilities throughout the United States and Mexico. A 64,000 square foot production facility in Mentor, Ohio and 33,000 square foot production facility in Mexico feature the

latest in manufacturing techniques and quality-control programs. Manufacturing is complemented by a 70,000 square foot U.S. distribution center located in Mentor, Ohio.
