FOR IMMEDIATE RELEASE February 24, 2019

**Blue Monster® Silver-Seal Thread Tape designed for
Chrome, Stainless Steel & Nickel Decorative Finishes**

Mentor, OH – Blue Monster® [Silver-Seal PTFE thread sealing tape](#), developed specifically for creating dependable, leak-free joints on plumbing fixtures made with chrome, stainless steel and nickel finishes, is now available from Clean-Fit Products.

The silver color of this professional-grade tape blends with decorative plumbing fixture finishes to minimize any exposure. Unsightly thread seal tape previously exposed on high-end fixtures, cheapening their appearance, is a thing of the past.

Contractors will appreciate the impressive sealing characteristics of new Blue Monster[®] Silver-Seal thread tape. This high-performance tape is not stretched during the manufacturing process so it is thicker and creates a more effective seal with less tape. Blue Monster Silver-Seal tape seals like pipe joint compound without the mess, and works effectively on chrome, stainless steel and nickel-finish threads.

Blue Monster[®] Silver-Seal PTFE thread sealing tape is offered in ½" x 520" rolls at leading P/H/C wholesalers from Clean-Fit Products, a division of The Mill-Rose Company, the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the U.S.A. For further information contact Clean-Fit Products, 7310 Corporate Blvd., Mentor, Ohio 44060. Telephone 1-800-321-3598, fax 1-440-255-1072, e-mail info@cleanfit.com or visit the company's web site at <http://www.cleanfit.com>.

About The Mill-Rose Company

2019 marks the 100th anniversary of The Mill-Rose Company. Founded in 1919 by Victor H. Miller, Mill-Rose has grown to become the largest U.S. manufacturer of twisted-in-wire brushes used in virtually every type of industry throughout the world. Mill-Rose is a family-owned organization, now in its fourth generation, operating manufacturing and warehouse facilities throughout the United States and Mexico.
