New Quick-Twist *Plus* Fitting Brush Features Soft-Twist Non-slip Handle

Mentor, OH — New Quick-Twist *Plus* fitting brushes with easy-to-grip, Soft-Twist handle are now available from the Clean Fit Division of The Mill-Rose Company.

Quick-Twist *Plus* fitting brushes are all stainless steel (stem and fill wire) and meet MIL and ASTM specifications wherever a “spark proof” brush is required. These brushes feature a dip molded plastisol grip that prevents slippage when hands are wet or oily. The cushion-grip brush is bright red and easy to spot in any cluttered toolbox. Available in standard plumbing and refrigeration sizes from 1/8” to 4” ID (1/4” to 4-1/8” OD), these new fitting brushes are designed with heavy stainless steel fill material for long-lasting performance. Quick-Twist *Plus* fitting brushes are available at leading wholesalers nationwide.

Clean Fit is a division of The Mill-Rose Company, leading manufacturer and distributor of brushes, abrasives, PTFE sealants and accessories used by professional contractors and do-it-yourselfers. For further information contact Clean Fit Products, 7310 Corporate Blvd., Mentor, Ohio 44060. Telephone toll-free 800-321-3598, fax 440-255-1072, e-mail info@CleanFit.com or visit the company’s web site at www.CleanFit.com.
